

## Quest Martial Arts Indoor Class Procedures November 2021

### **Student Check – In Procedures:**

- Indoor & Outdoor Classes:
  - All students attending an in-person class, must have a reservation booked through our school member app.
  - Students are to come dressed in uniform for every class
  - All students will be temperature checked and required to sanitize their hands before being admitted into class.
  - Students should bring water and required equipment to every class.
  - **Starting November 4<sup>th</sup>, the Los Angeles County Public Health Order requires all patrons over the age of 12 to present proof of Vaccination or a negative Covid-19 Test within the last three days to enter public spaces.**

### **Class Protocols:**

- All students & instructors must wear a face covering during class.
- The front door will remain open for air ventilation during all Indoor Classes.

### **Restroom Use:**

- Students & Employees must wear shoes while entering the restroom
- All students & Employees must wash hands after restroom use
- Patrons of guests are allowed inside to use restroom without the need of vaccine verification or a negative Covid-19 test.

### **Spectators:**

- All parents and/or guardians are encouraged to watch class from outside or wait inside their cars.
- Parents and/or guardians will be allowed inside the school 3 - 5 minutes before the end of class to pick up their children.
- Parents and/or guardians picking up their children, placing an order or having general questions will be not required to show proof of vaccination or a negative Covid-19 test.

- We will allow limited seating for parent and/or guardians with students enrolled in our Lil Dragons Program. These parents & guardians will be required to show proof vaccination or a negative Covid-19 test within the three days to stay indoors for the duration of the class.
- All parents picking up their child or viewing class are required to wear a face covering at all times.
- There is no outside food or drink allowed inside the school other than students bringing their own water bottle for class.
- **There are no requirements for spectators viewing outdoor classes.**

**Instructor Cleaning Procedures:**

- The mat & training equipment will be disinfected after each class.
- The school will be cleaned every night before closing which includes: Mat, Restroom & ALL High Touch Surface Areas (Door Handles, Counter Tops, Etc.)
